

## **AMBASSADOR OF BRAZIL visits** **Millat Tractors Limited**

Lahore, Tuesday July 26, 2016: His Excellency, Mr. Claudio Raja Gabaglia Lins, Ambassador of Brazil, visited tractor manufacturing facility of Millat Tractors Limited situated on Shiekhupura Road, Lahore.

The Ambassador was received by Mr. SM Irfan Aqueel, CEO, Millat Tractors Limited.

Mr. SM Irfan Aqueel briefed the guest about Millat Group of Companies. Mr. Aqueel highlighted the role of Millat Tractors in the development of the local engineering sector through the transfer of technology. The ambassador was briefed about Millat produced Massey Ferguson tractor models. The visitor was also appraised on the Company's industrial products that include forklift trucks and generating sets. Later, the guest was taken on a visit to the engineering facilities available with the company including Tractor Assembly Plant where he witnessed the manufacturing process and other latest facilities available with Millat.

The ambassador expressed deep satisfaction on the engineering standards being maintained by the Company and was impressed by the engineering expertise at hand with Millat Tractors. The ambassador thanked the management for the arrangements of his visit.
