## From the CEO's Desk

Dear valued readers,

I am pleased to endorse another finely crafted summary of the past year events, that have shaped the present & played a significant role in our ongoing journey towards the technological advancements and prosperity of MTL, our valued stakeholders, customers and employees.

MTL continues to innovate and lead the tractor industry of Pakistan in the upcoming era of artificial intelligence & Hi-tech farm mechanisation through higher levels of self indenization which has become our benchmark not only in Pakistan but in more than 50 countries across the globe, where our international quality tractors are being exported.

I would like to congratulate our management and employees for taking so many brave, bold and decisive initiatives throughout our 6 decades of excellence. I am convinced that the year 2026 will be glazed with our team work, dedication and prosperity not only for the company but the nation as well.

Wishing Team MTL success and glory in the year ahead.

Raheel Asghar

## Mr. Ahsan Iqbal inaugurates Exports to Mexico

The Federal Minister for Planning and Development, Professor Ahsan Iqbal, visited Millat Tractors Limited, Lahore on 18 August 2025. During the visit, he was briefed on the company's production capacity, use of modern technology, and future expansion plans.

On this occasion, the Federal Minister stated that more than 90 percent local production at Millat Tractors Limited is a remarkable example of Pakistan's self-reliance, industrial growth, and indigenous engineering capabilities.

Professor Ahsan Iqbal assured that he would raise the matter of the National Tractor Policy with the government to ensure effective support for the local industry, clarity in policy measures, and the implementation of farmer-friendly initiatives.

He further emphasized that agriculture is the backbone of the national economy, and the adoption of modern agricultural machinery will increase productivity while significantly reducing farmers' operational costs.

## Governor Punjab visits Millat Factory

The Governor Punjab Sardar Saleem Haider Khan visited MTL's manufacturing facility on 15 April 2025, where he meticulously inspected the engineering department, tractor assembly lines, and ancillary divisions. He lauded Millat Tractors Limited (MTL) for its indispensable contributions to Pakistan's agrarian progress, emphasizing that institutions like MTL are pivotal to bolstering the nation's agricultural and industrial ecosystems. He asserted that the government must prioritize resolving systemic challenges faced by such enterprises to catalyze sustainable growth. Commending MTL's groundbreaking vendor development initiatives, Governor Khan underscored that 95% localization of tractor components epitomizes industrial self-reliance—a triumph for indigenous innovation. He further reviewed the facility's state-of-the-art machinery and diverse tractor models, lauding their technological sophistication.

In a media interaction, Governor Punjab vowed to advocate for "cohesive, industry-centric policies" to amplify support for manufacturing giants like MTL. He delineated their dual economic significance: "These industries are not merely engines of foreign exchange accretion but also instrumental in import substitution, thereby fortifying Pakistan's economic sovereignty." MTL Chairman Sikandar Mustafa Khan and CEO Raheel Asghar extended a cordial welcome to the Governor. Concluding his visit, Governor Khan remarked, "Synergy between agrarian and industrial sectors is non-negotiable for macroeconomic stability."

# ملٹ ملٹی کراپ کمبائن ہارویسٹر

## کسان کی ترقی، ہماری کامیابی

### بے مثال فوائد:

- پاکفائٹ
- ملٹی کراپ ہارویسٹنگ
- اینڈھن کی بچت اور مٹی نیش لگت میں کمی
- کم نقصانات کے باعث بہتر پیداوار
- ملٹ کی ضمانت کے ساتھ وارنٹی
- پرزہ جات اور بعد از فروخت سروس کے لیے ملٹ کا
- بیک اپ نیٹ ورک
- ملٹ کی جانب سے آپریٹرز کی تربیت کی سہولت

### تکنیکی خصوصیات:

- ملٹی کراپ ہارویسٹر (گندم، چاول)
- کانے کی چوڑائی: 8.5 فٹ
- اناج کی بیگی کی گنجائش: 1500 کلوگرام
- 100 ہارس پاور ٹریچر چوڑائی
- ڈبل ٹائپ (2WD)
- اسے والا ٹیکن (آپٹنل)

## Inauguration of Millat Filter Assembly Plant

Millat Tractors Limited achieved a significant milestone by establishing a state-of-the-art oil and diesel filter manufacturing plant within its factory premises on 18th September 2025. The plant was formally inaugurated by the Chairman of Millat Group of Companies, Mr. Sikandar Mustafa Khan. On this occasion, the Vice Chairman Mr. Laiq-ud-Din Ansari, Vice Chairman Mr. Sohail Bashir Rana, Director Mr. Irfan Aqeel, CEO Mr. Raheel Asghar, along with other distinguished guests, were also present.

While speaking to the media, Mr. Sikandar Mustafa Khan stated, “The purpose of this new plant is to ensure the quality of filters, which are extremely critical for the life and performance of tractor engines. We have always emphasized producing high-quality products in order to promote industrial growth in the country and minimize imports.”

The CEO of Millat Tractors added, “Our tractors are now being preferred in more than 50 countries worldwide due to their superior quality and high standards. Keeping this quality in view, we have also increased the warranty period for local customers from 12 months to 18 months.”

He further stated that this plant will provide greater control over maintaining the superior quality and high standards of their products. The advanced facility has the capacity to manufacture more than two million filters annually, catering not only to tractors but also to cars, trucks, and buses. With the inauguration of this modern plant, Millat Tractors has taken yet another important step forward on its journey toward national development and self-reliance.

## Management Association of Pakistan honours MTL

Millat Tractors Limited was awarded the Runner-Up position in the “Automobile Assembler” category at the 40th Corporate Excellence Awards, organized by the Management Association of Pakistan (MAP) on 6th December 2025. This prestigious forum, regarded as one of the most credible benchmarks of corporate excellence in Pakistan, recognizes our collective efforts and achievements.

This award is not merely a trophy; it is a reflection of our engineering excellence, our vision for sustainable growth, and our commitment to strengthening Pakistan’s agricultural self-reliance. This success is the result of the dedication of the entire Millat family—our capable workforce, valued partners, and especially our esteemed farmers.

This recognition further strengthens our resolve to accelerate our journey of innovation, quality, and national development. We are grateful to MAP and deeply thankful to everyone who has been part of this journey.

## CEO distributes KAIZEN Awards

Mr. Raheel Asghar CEO- MTL, distributed KAIZEN Awards to all the deserving employees of MTL factory and stated that “Your dedication, hard work, and innovative spirit are the driving force behind MTL's success. We are incredibly proud to recognize your achievements and grateful to every team member who contributes to our journey. Here's to reaching new heights together”.

## Trainings

### Millat Sales and Marketing Excellence

Two day's in-house training was organized on Millat Sales and Marketing Excellence

The resource person was Mr. Adnan Malik (Management Consultant, having 25 Years' experience in Automotive and Pharmaceutical Industry, sales and dealers network development).

The sessions were conducted to further enhance the Marketing and selling skills, customer engagement techniques, and overall performance of the MTL Marketing and IPD Sales teams.

### Cost Cutting / Cost Management

Cost-cutting is crucial for organizations as it directly impacts profitability, competitiveness, and financial stability. By reducing expenses, businesses can increase their profit margins, become more competitive in the market. Keeping this in mind, the Training and Development Section of Administration Department organized one day in house training course on Cost Cutting / Cost Management. The Resource Person was Mr. Muhammad Afzal, Senior Manager IPD.

### Statistical Process Control / Design and Process Failure Mode and Effect Analysis

Trainings were organized on Statistical Process Control" in first phase and "Design and Process Failure Mode and Effect Analysis" in second phase. The resource person was Mr. Zeeshan Elahi (MGR Production PE)

These trainings were conducted to equip our young / fresh Engineers with the knowledge regarding process stabilization, reduce variation, improve Quality through data analysis and control charting. Besides this, failure modes, mechanism, root causes, analytical techniques for failure investigation, and applying this knowledge to prevent future failure.

## Apprenticeship Certificate Awarded at MTL

Millat Tractors Ltd. hosted a ceremony at its premises to award certificates to apprentices Batch # 28 who successfully completed their training under the Apprenticeship Program (Session 2022–2025). The event was graced by Mr. Rao Kashan (Dy. Director TEVTA) and his team, along with Mr. Muhammad Yaqoob, Principal Apprentices Training College Kala Shah Kaku. Representatives from Millat Tractors' Production, IR, and CBA teams also attended the ceremony. At the conclusion of the event, Mr. Rao Kashan delivered the closing remarks, expressing his appreciation and gratitude to Millat Tractors management and Factory Manager (Mukhtar Ahmed Bhatti) for continuously producing highly skilled and quality-trained manpower for Pakistan. He acknowledged that these trained apprentices are now contributing productively in various national institutions and even abroad, earning respectable livelihoods and supporting their families with pride.
